We are immensely glad to inform you that SNA Kutiyattam Kendra along with Kerala Sangeetha Nataka Akademi is organizing '**Natyadharmi 2017** - Kutiyattam Festival of Kerala', celebrating the aesthetics of Kutiyattam and allied art-forms. The festival will be formally inaugurated by **Prof. C. Raveendranath**, Minister for Education, Govt. of Kerala; on the **17th of December**. **Prof. K.D. Tripathy**, Centennial Chair Professor, Banaras Hindu University, Varanasi; will deliver the **Ammannur Commemorative Lecture** on the concluding day.

The five-day long event will feature Nangiarkoothu, Prabandha-koothu, Mizhavu Melam and Kutiyattam performances as well as lectures on relevant topics. The festival will give a unique opportunity to all art enthusiasts to watch these age-old art-forms, in its authentic form, performed by maestros together with noted young artists. One special aspect of the festival will be the interactive sessions after each performance which will give the audience a space to share their feedback or to clarify any aspect related to the performance or the art-form.

We take this opportunity to invite all art lovers to participate in this celebration of Kutiyattam and to make it a profound success.
